# WELCOME

We are open for breakfast, brunch, lunch and afternoon tea.

Good food starts with great ingredients. We only stock high quality food lines, many of them local produce, from local producers.

Please browse our menu and place your order at the till.

As we say “we don’t serve fast food, we serve good food as fast as we can”, so please be patient at busy times.

Don’t forget if you have a problem tell us straight away, so we can rectify it so it does not happen again.

If you have a compliment please tell us, ‘brighten our day’ and of course tell your friends!

But above all come back and see us.

The Morpeth Larder

We pride ourselves in the quality of  
our coffee, and the skill we put into  
making it.

We only use freshly ground locally  
roasted Pumphrey's Espresso  
Crème beans in all our coffee with  
Northumberland Pedigree milk.

You can taste the difference!

Food is all about great taste and  
tantalising your taste buds, by  
definition a deli is a place that sells  
and serves imported, local and  
prepared quality food.

But we believe in the theatre of  
food, cutting fabulous cheese by  
hand at our deli counter, making  
you a great tasting coffee from  
locally roasted beans, sitting in our  
coffee shop with the buzz of the  
deli surrounding you.

Great ingredients, local artisan  
food, British and Continental food,  
fine wines, food gifts, food  
hampers made to order and  
great service.

Thank you for the time you have  
spent with us, eating our food  
and browsing our shelves.

By law it is an offence for anyone under the  
age of 18 to purchase or be served alcohol.

We have a challenge 25 policy and you  
may be asked for identification.

All food is subject to availability.

All sit in prices include VAT.
