The Morpeth Larder

WELCOME

We are open for breakfast, brunch, lunch and afternoon tea.

Good food starts with great ingredients. We only stock high quality food lines, many of them local produce, from local producers.

Please browse our menu and place your order at the till.

As we say "we don't serve fast food, we serve good food as fast as we can", so please be patient at busy times.

Don't forget if you have a problem tell us straight away, so we can rectify it so it does not happen again.

If you have a compliment please tell us, 'brighten our day' and of course tell your friends!

But above all come back and see us.

The Morpeth Larder

We pride ourselves in the quality of our coffee, and the skill we put into making it.

We only use freshly ground locally roasted Pumphrey's Espresso Crème beans in all our coffee with Northumberland Pedigree milk.

You can taste the difference!

Food is all about great taste and tantalising your taste buds, by definition a deli is a place that sells and serves imported, local and prepared quality food.

But we believe in the theatre of food, cutting fabulous cheese by hand at our deli counter, making you a great tasting coffee from locally roasted beans, sitting in our coffee shop with the buzz of the deli surrounding you.

Great ingredients, local artisan food, British and Continental food, fine wines, food gifts, food hampers made to order and great service.

Thank you for the time you have spent with us, eating our food and browsing our shelves.

By law it is an offence for anyone under the age of 18 to purchase or be served alcohol.

We have a challenge 25 policy and you may be asked for identification.

All food is subject to availability.

All sit in prices include VAT.
