The Morpeth Larder

WELCOME

We are open for breakfast, brunch, lunch and afternoon tea.

Good food starts with great ingredients. We only stock high quality food lines, many of them local produce, from local producers.

Please browse our menu and place your order at the till.

As we say "we don't serve fast food, we serve good food as fast as we can", so please be patient at busy times.

Don't forget if you have a problem tell us straight away, so we can rectify it so it does not happen again.

If you have a compliment please tell us, 'brighten our day' and of course tell your friends!

But above all come back and see us.
